Paris Overview

- Paris known as the “City of Lights” is the world’s most visited tourist destination till date.
- It is the capital city of France with many tourists attractions all around.
- Beyond the landmarks such as the Eiffel Tower and the 12th-century, Gothic Notre-Dame cathedral, the city is also known for its cafe culture, and designer boutiques.
- The best time to visit Paris is from June to August, when the weather is just about parfait (perfect), spring season is generally considered as an off-season for Paris where the number of tourist visits decreases considerably.
