# VALLONNE VINEYARDS

- Since wine education and awareness are indispensable to the growth of the Indian wine industry, we at Vallonne, offer our guests a complete wine experience with customised winery tours and wine tastings. It's a one-of-its-kind tour conducted by our winemaker himself where he introduces guests to Vallonne wines, the process of winemaking from plucking the grapes to bottling of the wine and discerning the aromas and flavours of the wine. Guests can dine at our lake-facing restaurant where the South East Asian food is perfectly paired with the wines.
- Since the first harvest on February 26, 2009, Vallonne Vineyards has consistently crafted excellent wines that have been widely appreciated. We believe that a making of a good wine begins in the vineyards itself. That is why, to ensure the highest quality of fruit, we follow stringent viticultural practices in the vineyards.

# YORK WINERY

- Built in 2006, York Winery occupies seven acres of vineyards overlooking Gangapur Dam, close to Sula Vineyards. This friendly, young family-owned winery focuses on producing fruity and dry, rather than sweet, wines. It's definitely going places and is already winning awards. The winery has a superb gold medal Reserve Shiraz, aged in oak, to its name. Also impressive is its new Arros reserve blend of shiraz and cabernet sauvignon, released in late 2014. York released its own sparkling wine, York Sparkling Brut, near the end of 2014 as well. It's made from 100% chenin blanc grapes.
- The sizable tasting room is attractively decorated in warm, earthy tones. Calmer and less commercialized than Sula, it's a great sunset destination.
- **Open:** Noon until 10.00 p.m., seven days a week..
- **Wines:** Sauvignon blanc, chenin blanc, rose, shiraz, cabernet sauvignon.
