

# TAIWAN - TAIPEI

Duration: 3 Night/ 4 Days

20 pax

# Overview

- ❖ Taiwan is located off the south-eastern coast of mainland China in the Western Pacific Ocean. Taiwan's capital city is Taipei. The official language is Mandarin Chinese, and the currency is the New Taiwan dollar.
- ❖ Taiwan is one of the world's trading powerhouses and offers one of the most favourable environments for investment in Asia.
- ❖ The best time to visit Taiwan is during September to November because the temperature in November is 20°C and price of everything is lower at this time makes Taiwan hottest tourist spot. Spring lasts from March to May which is another perfect time to visit Taiwan. The temperature in this season is quite similar to fall.

# 10 Things Taiwan does better than anywhere else

- ❖ **Night markets:** Craving oyster omelettes and bubble tea in the middle of the night? Crowded with street hawkers, the 300 or so bustling bazaars on this tiny island operate until the small hours
- ❖ **Themed restaurants:** The island is home to a treasure of quirky restaurant concepts
- ❖ **Free Wi-Fi:** Taiwan has a free, nationwide Wi-Fi network. It was one of the first places in the world to offer free Wi-Fi on a mass scale
- ❖ **Chinese artefacts:** With a permanent collection of more than 650,000 items, Taipei's national palace Museum has the largest collection of Chinese artefacts and artwork in the world
- ❖ **Animated news:** Two members of NMA Taiwan's 400-person animation team act out scenes that will appear in one of their popular CGI videos
- ❖ **Mock meat:** They might look and taste like fish balls, but these fried goodies are actually animal-free. Given how important flesh is to the traditional Chinese diet, it is surprising that Taiwan is a leader in mock meat dishes that could fool even the most hardcore carnivore
- ❖ **Little league baseball:** since the first Little League World Series in 1947, Taiwan has won more championships (17) than any country, nearly double that of runner-up Japan
- ❖ **National health coverage:** Taiwanese citizens can visit any doctor in the country. Fees are reimbursed by the National Health Insurance Administration, whose 2% administrative costs are the lowest in the world
- ❖ **Hello Kitty obsession:** not only does the island have a Hello Kitty café, but Kitty-themed beer, airplanes and hotel rooms
- ❖ **Soup dumplings:** Taiwan's national food "xiaolongbao" (broth-fried, bite sized steamed dumplings), have earned Michelin stars and been listed in the Miele Guide

# Taiwan Lantern Festival

- ❖ There are many activities all over Taiwan during Taiwan Lantern Festival. During the Taiwan Lantern Festival, thousands of sky lanterns light over Pingxi District in Taiwan.
- ❖ In Yanshui District, the firecrackers ceremony of Wumiao Temple is also one of the important activities.
