Overview

- Kenya is officially known as the Republic of Kenya and is a country in Africa and a founding member of the East African community.
- Its capital and largest city is Nairobi. Kenya's territory lies on the equator and overlies the East African Rift covering a diverse and expansive terrain that extends roughly from Lake Victoria to Lake Turkana (formerly called Lake Rudolf) and further south-east to the Indian Ocean.
- **Best time to visit:** The **best** wildlife viewing months in **Kenya** are during the dry **season** from late June to October. The wildebeest migration reaches the Masai Mara in July and remains until October when they move back to the Serengeti in Tanzania.
- **Climate:** The **climate** of **Kenya** varies by location, from mostly cool every day, to always warm/hot. The **climate** along the coast is tropical. This means rainfall and temperatures are higher throughout the year.
