Testimonials

Axis Bank – Wildfire Contest 2017 for 450 delegates to Goa,

“Hi Abhishek,

We are writing this to congratulate you and your team on successful organization of our Domestic Wildfire Event at Goa from 3rd - 5th September 2017. Simply amazed by the way the entire event was handled end to end. 450 people is not a small size to deliver everything flawlessly. All the aspects were well taken care of - right from travel to stay to sightseeing and what not.

Mr. Abdul and Mr. Kshitij of your team deserve a special mention. The App provided by you has been of immense help and relevance in making this event a grand success.

This is the third Wildfire we have done with you in succession. We warmly cherish our association and look forward to work with you in future, as well. ”

Testimonials

HDFC Bank PhoneBanking Annual Offsite at Vedic Village & The Oberoi Grand, Kolkata

“ Dear Abhishek, Gavin,

Must admit, every event organised by Trip Navigator overrides the previous level to new heights.

Am amazed with the seamless co-ordination across travel, venues and events & best of all the team was right there to assist.

- The mela concept and minute details eventually transported us all to a remote and traditional village at Kolkata. It did remind us about good old times and how we miss it all.

- The tele games and the gala evening was spot on and good time invested by us.

- The traditional Bengali meal was a life time experience.

Am sure you guys have travelled miles to achieve what you have organised and have tons more potential to take it beyond our expectations. Superb job, team efforts and co-ordination.

Thanks for co-hosting with the core PhoneBanking team. ”

Testimonials

Fullerton India – Gramshakti Annual Meet 2017 for 350 delegates to Hyderabad

““The event was simply outstanding!

Meticulous planning and impeccable execution! Every detail was taken care of and each of the 350 delegates did have a splendid time! What impressed us the most is the constant smile on each of your executives even at 12 in the midnight! Trust me it matters a lot especially in the hospitality industry! To be very honest many people thought that all five of you actually work for FICC such was the level of engagement and commitment! Looking forward to more of such events in future!

Well Done!”
